

SPACETIME SUITE, Sept 29-30th 2016

Spacetime 1/Breath - Katie Harris Banks, Amanda Blythe, Keira Hart-Mendoza, Erica Rebollar

Laban cues: Near to mid-reach kinesphere, vacillations of flow, breath-driven phrasing

Event Horizon - Heather Doyle

Laban cues: Flow affined to the growing and shrinking of the kinesphere, moments of a complete drive, tesseract scale using the first grand diagonal

Interlude 1/Stargazing - Full Cast

Laban cues: Freeing of flow and directing of space in the vertical dimension cycling into binding of flow with a contraction of kinesphere, inner/outer polarity

Spacetime 2/Three Body Problem - Katie Harris Banks, Amanda Blythe, Keira Hart-Mendoza, Erica Rebollar, Sarah Greenbaum

Laban cues: Directional Shaping with multiple approaches to the kinesphere, relating to the room/people in room vs relating to self

Interlude 2/Descent - Full Cast

Laban cues: attending to the feet, a spatial cycle of the performer's focus between the self and the room

Gravity - Heather Doyle & Katie Sopoci Drake

Laban cues: manipulation of kinesphere and flow, vacillation of direct to indirect space, Modes of Shape Change

Spacetime 3/Tidal Disruption - Katie Harris Banks, Amanda Blythe, Keira Hart-Mendoza, Erica Rebollar
Laban cues: Inner/outer, Flow affined to the kinesphere, relationship

Interlude 3/Waves - Full Cast

Laban cues: External focus affined to far visual focus in Space & freeing of flow,
Internal focus affined to near visual focus in Space and binding of flow.
Cycling in the sagittal plane. Succession from lower to upper. Yield/push patterns.

Clever Hominini - Sam Horning & Katie Sopoci Drake

Laban cues: Symmetry, successive versus sequential, binding versus freeing of flow

Spacetime 4/Fractals - Katie Harris Banks, Amanda Blythe, Keira Hart-Mendoza, Erica Rebollar
Laban cues: Core-distal, successive pathways, yield/push, reach/pull

Spacetime 5/Perspective - Full Cast
Laban: Relationship, Shape, inner/outer

Interlude 1/Stargazing (Reprise) - Full Cast
Laban cues: Freeing and binding of Flow with gaze along the vertical dimension and/or away in Space.
