

Passion Drive - Time, Weight, Flow

Passion Drive Scale #1	<u>Time</u>	<u>Weight</u>	<u>Flow</u>
Polarity 1 forward, high, far: back, deep, near:	decelerating accelerating	decreasing pressure increasing pressure	freeing binding
Polarity 2 forward, deep, far: back, high, near	decelerating accelerating	increasing pressure decreasing pressure	freeing binding
Polarity 3 back, deep, far forward, high, near	accelerating decelerating	increasing pressure decreasing pressure	freeing binding
Polarity 4 back, high, far forward, deep, near	accelerating decelerating	decreasing pressure increasing pressure	freeing binding
Passion Drive Scale #2	<u>Time</u>	<u>Weight</u>	<u>Flow</u>
Polarity 1 forward, high, far: back, deep, near:	decelerating accelerating	decreasing pressure increasing pressure	freeing binding
Polarity 2 forward, high, near: back, deep, far	decelerating accelerating	decreasing pressure increasing pressure	binding freeing
Polarity 3 forward, deep, far back, high, near	decelerating accelerating	increasing pressure decreasing pressure	freeing binding
Polarity 4 forward, deep, near back, high, far	decelerating accelerating	increasing pressure decreasing pressure	binding freeing
