

Vision Drive - Space, Time, Flow

| <u>Vision Drive Scale #1</u> | <u>Space</u> | <u>Time</u> | <u>Flow</u> |
|----------------------------------------------------------------|---------------------------------|-------------------------------------|--------------------|
| Polarity 1 right, forward, far: left, back, near: | indirecting directing | decelerating accelerating | freeing binding |
| Polarity 2 right, back, far: left, forward, near | indirecting directing | accelerating decelerating | freeing binding |
| Polarity 3 left, back, far right, forward, near | directing indirecting | accelerating decelerating | freeing binding |
| Polarity 4 left, forward, far right, back, near | directing indirecting | decelerating accelerating | freeing binding |

| <u>Vision Drive Scale #2</u> | <u>Space</u> | <u>Time</u> | <u>Flow</u> |
|----------------------------------------------------------------|---------------------------------|------------------------------|----------------------------------|
| Polarity 1 right, forward, far: left, back, near: | indirecting directing | decelerating accelerating | freeing binding |
| Polarity 2 right, forward, near: left, back, far | indirecting directing | decelerating accelerating | binding freeing |
| Polarity 3 left, forward, far right, back, near | directing indirecting | decelerating accelerating | freeing binding |
| Polarity 4 left, forward, near right, back, far | directing indirecting | decelerating accelerating | binding freeing |
